Re: Donations for Fundraising Events

To whom it may concern,

Roque Center, Inc. is a non-profit 501(c) (3) corporation, serving Orange County since 1972. Our mission is to provide recovery opportunities to adult men and women who suffer from alcoholism and addiction to other drugs.

Each year we host a few special events for the purpose of raising funds and generating support from the community. These events are critical to our ability to continue offering these services to the more than 1,300 men and women we serve each year. To ensure the success of our fundraising events and activities, we turn to Orange County businesses and merchants like yourself for any type of donation that will help us in continuing our mission and service to those who would otherwise not have a fair chance at recovery. Our next event coming up is

FREEDOM COALITION FEST JULY 20th- 22ND 2012
IRVINE LAKE

Since 1972 more than 35,000 men and women have received services in a variety of residential, social model, recovery programs operated by R.C.I.

Your support and tax deductible gift of goods, services, or monetary support is greatly appreciated and will be used to maintain and improve these badly needed services.

Sincerely
Art Amidon
